1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: The amendment listing claim 1 does not contain all of the claim language in the first claim limitation from the prior claim and there is not anything indicating that it has been cancelled. The missing recitation is "the interaction data enabling the competition entry to be electronically captured in the computer system". Please indicate whether this still remains in the claim limitation or it has been cancelled..
